

SQUARE POINT KNIFE

WITH ERGONOMIC, HEATER COMPATIBLE HANDLE

- **No Product Contamination:** Plastic handles eliminate the possibility of product contamination from wood.
- **Ergonomic:** Softer, ergo cushion grip is more comfortable and easier to grip, reducing stress on your hand.
- **Longer Life:** Recommended for use with Everhard heaters, this knife's handle is more heat-resistant than wood, increasing its useful life.

Metal guard acts as safety stop during use. (also available w/o guard)

ERGO CUSHION GRIP
